The work for which this bid is submitted is for construction in conformance with the special provisions (including the payment of not less than the State general prevailing wage rates or Federal minimum wage rates), the project plans described below, including any addenda thereto, the contract annexed hereto, and also in conformance with the California Department of Transportation Standard Plans, dated 2010, the Standard Specifications, 2010, and the Labor Surcharge and Equipment Rental Rates in effect on the date the work is accomplished.

The special provisions for the work to be done are dated May 2016 and are entitled:

**PROJECT SPECIAL PROVISIONS
FOR
SAN JOAQUIN CIRCLE
STREET RECONSTRUCTION
IN THE CITY OF REEDLEY**

The project plans for the work to be done were approved May 20, 2016 and are entitled:

**CITY OF REEDLEY
ENGINEERING DIVISION
SAN JOAQUIN CIRCLE
STREET RECONSTRUCTION**

Bids are to be submitted for the entire work. The amount of the bid for comparison purposes will be the total of all items.

The bidder shall set forth for each unit basis item of work a unit price and a total for the item, and for each lump sum item a total for the item, all in clearly legible figures in the respective spaces provided for that purpose. In the case of unit basis items, the amount set forth under the "Item Total" column shall be the product of the unit price bid and the estimated quantity for the item.

In case of discrepancy between the unit price and the total set forth for a unit basis item, the unit price shall prevail, except as provided in (a) or (b), as follows:

- (a) If the amount set forth as a unit price is unreadable or otherwise unclear, or is omitted, or is the same as the amount as the entry in the item total column, then the amount set forth in the item total column for the item shall prevail and shall be divided by the estimated quantity for the item and the price thus obtained shall be the unit price;
- (b) (Decimal Errors) If the product of the entered unit price and the estimated quantity is exactly off by a factor of ten, one hundred, etc., or one-tenth, or one-hundredth, etc. from the entered total, the discrepancy will be resolved by using the entered unit price or item total, whichever most closely approximates percentage-wise the unit price or item total in the CITY OF REEDLEY's Final Estimate of cost.

If both the unit price and the item total are unreadable or otherwise unclear, or are omitted, the bid may be deemed irregular. Likewise if the item total for a lump sum item is unreadable or otherwise unclear, or is omitted, the bid may be deemed irregular unless the project being bid has only a single item and a clear, readable total bid is provided.

Symbols such as commas and dollar signs will be ignored and have no mathematical significance in establishing any unit price or item total or lump sums. Written unit prices, item totals and lump sums will be interpreted according to the number of digits and, if applicable, decimal placement. Cents symbols also have no significance in establishing any unit price or item total since all figures are assumed to be expressed in dollars and/or decimal fractions of a dollar. Bids on lump sum items shall be item totals only; if any unit price for a lump sum item is included in a bid and it differs from the item total, the items total shall prevail.

The foregoing provisions for the resolution of specific irregularities cannot be so comprehensive as to cover every omission, inconsistency, error or other irregularity which may occur in a bid. Any situation not specifically provided for will be determined in the discretion of the CITY OF REEDLEY, and that discretion will be exercised in the manner deemed by the CITY OF REEDLEY to best protect the public interest in the prompt and economical completion of the work. The decision of the CITY OF REEDLEY respecting the amount of a bid, or the existence or treatment of an irregularity in a bid, shall be final.

If this bid shall be accepted and the undersigned shall fail to enter into the contract and furnish the 2 bonds in the sums required by the State Contract Act, with surety satisfactory to the CITY OF REEDLEY, within 8 days, not including Saturdays, Sundays and legal holidays, after the bidder has received notice from the CITY OF REEDLEY that the contract has been awarded, the CITY OF REEDLEY may, at its option, determine that the bidder has abandoned the contract, and thereupon this bid and the acceptance thereof shall be null and void and the forfeiture of the security accompanying this bid shall operate and the same shall be the property of the CITY OF REEDLEY.

The undersigned, as bidder, declares that the only persons or parties interested in this bid as principals are those named herein; that this bid is made without collusion with any other person, firm, or corporation; that he has carefully examined the location of the proposed work, the annexed proposed form of contract, and the plans therein referred to; and he proposes, and agrees if this bid is accepted, that he will contract with the CITY OF REEDLEY, in the form of the copy of the contract annexed hereto, to provide all necessary machinery, tools, apparatus and other means of construction, and to do all the work and furnish all the materials specified in the contract, in the manner and time therein prescribed, and according to the requirements of the Engineer as therein set forth, and that he will take in full payment therefore the following prices, to wit:

The Contractor shall furnish the Owner with a Certificate of Insurance, indicating insurance coverage with respect to the liability assumed by the Contractor under the provisions of this article, and shall further indicate insurance coverage with minimum limits as shown in the project specifications.

The Certificate of Insurance shall further provide that a minimum thirty (30) days notice of cancellation or reduction in coverage shall be given the Owner.

An Additional Insured Endorsement to the Contractor's Liability Insurance policy naming the City of Reedley, its officers, officials, employees and volunteers, and other participating public agencies (if applicable) and all officers and employees of the above shall also be furnished.

BID PROTEST PROCEDURE

The lack of prompt procedure to resolve disputes regarding the bidding process would impair the Owner's ability to carry out its purpose of contracting this project in a timely manner. Therefore, to the maximum extent authorized by law and notwithstanding any other procedures specified in these Contract Documents, all disputes and/or protests regarding the bidding process shall be subject to the following procedure. In submitting a Bid to the Owner for this project, the Bidder agrees to comply with and to be bound by this procedure.

1. Any Bid protest must be submitted in writing to the City before 5:00 p.m. on the fifth (5th) working day following Bid opening.
2. The Bid protest must contain a complete statement of the basis for the protest, and all supporting documentation. A non-refundable fee of One Thousand Dollars (\$1,000) made payable to the "City of Reedley" shall accompany the protest documents and will be used by the Owner to recover costs in evaluating the bid protest. A bid protest submitted without the requisite fee will be considered incomplete and will not be considered by the Owner.
3. The party filing the protest must have actually submitted a Bid for the work. A subcontractor of a party submitting a Bid for the work may not submit a Bid protest.
4. A party may not rely on the Bid protest submitted by another Bidder, but must timely pursue its own protest.
5. The protest must refer to the specific portion of the Contract Documents which forms the basis for the protest.
6. The protest must include the name, address and telephone number of the person representing the protesting party.
7. The party filing the protest must concurrently transmit a copy of the initial protest document and any attached documentation to all other Bidders, and the Bid protest must contain proof of service of the Bid protest on the other Bidders.
8. The protested Bidder shall have up to five (5) working days after the filing of a Bid protest to submit a written response. The responding Bidder shall transmit the response to the protesting Bidder concurrent with the deliver to the Owner.
9. The procedure and time limits set forth in this paragraph are mandatory and are the Bidder's sole and exclusive remedy in the event of Bid protest. The Bidder's failure to comply with these procedures shall constitute a waiver of any right to further pursue the Bid protest, including filing a Government Code Claim or legal proceedings.
10. The Owner will evaluate all proper Bid protests before the award of the contract to the lowest responsive and responsible Bidder.
