## I. PURPOSE

This document establishes the purpose of the Adult Compliance Team (ACT) as a joint and cooperative effort. Additionally, it formalizes relationships between participating agencies for policy and planning in order to create a cooperative unit capable of addressing the public safety concerns and issues facing local law enforcement in Fresno County regarding probation, post release community supervision (PRCS), and mandatory supervised release that may occur due to the passage of the Criminal Justice Realignment Act (AB 109) effective October 1, 2011.

## II. MISSION

The mission of ACT is to provide an additional layer of offender supervision to ensure offender accountability, surveillance, and supervision through mobile, intensive and evidence based practices leading to enhanced public safety and offender compliance.

## III. GOALS

- A. To reduce the occurrence of new criminal acts by targeting offenders on probation, post release community supervision, and mandatory supervised release with intensive surveillance by peace officers dedicated to enforcement of conditions of release.
- B. To identify supervised offenders who are not meeting their conditions of release in order to ensure compliance.
- C. To mitigate the need for custodial sanctions through appropriate early interventions.
- D. To document trends in the realignment population and respond efficiently to emerging trends that adversely affect public safety.
- E. To gather, collect, and provide information and direction regarding the post release community supervision (PRCS) and realignment populations for all law enforcement agencies in the County of Fresno and act as the point of contact for dissemination of offender information to law enforcement.
- F. To respond rapidly to emergency situations with knowledge and information about the offenders.
- G. To provide other public safety responses including searches as authorized by the terms of release and warrant services, as needed.

#### IV. GENERAL OPERATIONAL STRATEGIES

Intensive supervision based on offender assessment, enjoined with evidence based practices, forms the cornerstone of the Fresno County AB 109 supervision model. This intensive approach is seen in the formation of ACT; an interagency public safety alliance with local law enforcement agencies and county justice partners that provides an additional level of offender accountability and public safety. The "strike team" concept is used to describe peace officers under ACT, dedicated to particular enforcement and public safety purposes, with an immediate capacity to take action with offenders under probation supervision, post release community supervision (PCRS), and mandatory supervised release by the Fresno County Probation Department.

To this end, the participating agencies developed these operational guidelines and procedures concerning the formation of the Adult Compliance Team. The participating agencies agree jointly and separately to abide by these terms and provisions set forth throughout the formation of the joint operation.

#### V. ORGANIZATIONAL STRUCTURE

The Adult Compliance Team will be co-located at the Fresno County Probation Department. The Probation Department is the commanding agency of ACT and will maintain responsibility for the administrative direction, objective, and mission of the Adult Compliance Team.

The team will consist of sworn officers from the following agencies: two (2) deputy probation officers from the Fresno County Probation Department; one (1) sergeant from the Fresno County Sheriff's Department; two (2) deputies from the Fresno County Sheriff's Department; two (2) senior district attorney investigators from the Fresno County District Attorney's Office; one (1) sergeant from the Fresno Police Department; three (3) police officers from the Fresno Police Department; two (2) police officers from the Clovis Police Department; one (1) police officer from the Selma Police Department; one (1) police officer from the Reedley Police Department; one (1) police officer from the Kerman Police Department; and one (1) police officer from the Kingsburg Police Department. Dependent upon future funding, the size of ACT may fluctuate according to the number of officers and agencies.

##### A. Policy and Direction

Under the policy and planning direction of the Community Corrections Partnership (CCP), ACT will utilize an Advisory Sub-Committee of CCP.

##### B. ACT Advisory Sub-Committee of the CCP

Each law enforcement agency that assigns personnel to ACT may designate a member to the ACT Advisory Sub-Committee of the CCP. All law enforcement agencies operating within the county with an interest in ACT are welcome to attend the meetings of the ACT Advisory Sub-committee.

Appointments to and removal from the ACT Advisory Sub-Committee and appointment of a Sub-Committee Chairperson will be made by the CCP Executive Committee.

C. Operations Commander

The Probation Services Manager is the Operations Commander and has overall responsibility for the operation of ACT. The Operations Commander implements direction to the team under the administrative direction of the Fresno County Probation Department's Realignment Division Director. The Operations Commander will liaison with individual members of the ACT Advisory Sub-Committee, and will attend meetings of the CCP as required.

D. Field Supervisor

The assigned Field Supervisor(s) will be the day-to-day operations supervisor(s) and responsible for overall coordination of tactical field operations. When ACT works as separate elements and both supervisors are working, each supervisor will be responsible for their assigned element. When only one supervisor is on duty, that supervisor will be responsible for the supervision of both elements.

E. Probation Department

All probation conditions and release compliance remains the responsibility of the AB 109 probation officer assigned to a specific offender. These conditions are predetermined before release from custody to probation, post release community supervision or mandatory supervised release. The offenders will be under the supervision of their assigned probation officer or ACT probation officer.

## VI. OPERATIONS

A. Supervision and Field Responsibility

The use of surveillance, supervision, and field contacts will be established in conjunction with Fresno County Probation Department policies and as established by the CCP Executive Committee, ACT Advisory Sub-Committee, and policies and procedures of general law enforcement accepted practices as established by statute and case law.

All ACT personnel will conform to their own agencies' policies and procedures as well as policies and procedures that may be required by participation in ACT.

B. Records and Reports

All reports created by ACT related to contacts with those offenders under probation supervision, post release community supervision, and mandatory supervised release will be entered into the Probation Records Information Management System (PRIMS). All agencies participating on the ACT will have full access to Sharenet and the information in PRIMIS. Information sharing with other law enforcement agencies regarding offenders under probation supervision, post release

community supervision, and mandatory supervised release allowing for appropriate law enforcement response is a priority for ACT.

Any additional crime, arrest, or incident report will be documented by the primary investigative officer through the use of their own departmental report writing system.

## VII. ADMINISTRATION

### A. Financial Administration

Financial administration of ACT funds allocated by the CCP Executive Committee will be the responsibility of the Fresno County Probation Department Business Office through the duration of the program. In addition, the allocation and management of funds are guided by Fresno County Fiscal Policy and under the review quarterly of the CCP Finance and Audit Sub-committee for presentation to the CCP.

### B. Vehicles

As provided for in the approved Fiscal Year 2017-2018 CCP budget, vehicles will be provided for probation staff and for participating law enforcement officers as specified in the final approved budget of the CCP and Fresno County, for use in executing the mission of ACT.

#### **G. Personnel Management**

The selection of ACT members will be made by each participating agency. If any of the ACT policies and procedures conflict with any of the participating agencies' policies and procedures, notice of said conflict shall be immediately given to a supervisor. The supervisor will take whatever action necessary to reconcile the conflict.

Each participating agency retains full responsibility for the professional and personal conduct of its own personnel assigned to ACT. Each participating agency will follow their agency directives/MOU for working modified schedules.

### **VIII. MULTI-AGENCY ADMINISTRATIVE CONCERNS**

All ACT personnel will conform to their own agencies' policies and procedures as well as policies and procedures that may be required by participation in ACT.

### **EXECUTIVE SUMMARY**

The City of Reedley signed an Funding Agreement with the County of Fresno placing an officer of the Reedley Police Department in the AB109 (Adult Compliance Team) task force to deal with individuals placed on AB109 supervision. The current agreement expired June 30, 2017. The County of Fresno wishes to extend the current agreement for one (1) full year with the amended agreement expiring June 30, 2018.

The Operational Agreement currently used, was developed in 2011 and was amended to

incorporate the addition of other agencies, including Reedley Police Department. The Operating Agreement when signed by all participating agencies will establish the purpose of the Adult Compliance Team as a joint and cooperative effort. Additionally, it formalizes relationships between participating agencies for policy and planning to create a cooperative unit capable of address the public safety concerns and issues facing local law enforcement in Fresno County.

## **BACKGROUND**

The Public Safety Realignment ACT (AB109) Implementation Plan for Fresno County was developed in 2011 by the Fresno County Community Corrections Partnership (CCP) and approved by the Fresno County Supervisors. The Adult Compliance Team (ACT) was created to address public safety concerns and issues facing local law enforcement in Fresno County. ACT is comprised of representatives of the Fresno County Sheriff's Department, Fresno County District Attorney's Office, the Fresno County Probation Department, and Officers from the Fresno, Clovis, Selma, and Reedley Police Departments.

Since its inception in 2011, the plan implemented by the Community Corrections Partnership has met or exceeded the goals and objectives set forth in the initial plan. In a 10-month period, the Adult Compliance Team conducted 114 compliance checks, making 23 arrests just in Reedley. Although these numbers are only reflective of the work done within the City of Reedley, it does not take into account the significant presence they have had in the surrounding communities.

## **FISCAL IMPACT**

Funding for the Reedley Police Officer assigned to the ACT allocated with the FY2017-2018 budget will not be impacted.

## **PRIOR COUNCIL ACTIONS:**

In August of 2016, the Reedley City Council authorized the Reedley City Manager to enter into a funding agreement with the County of Fresno for the FY 2016/2017.

## **ATTACHMENTS:**

1. Funding agreement between the County of Fresno and the City of Reedley
2. The Fresno County Adult Compliance Team Operational Agreement – September 2017
