

AMENDED SERVICES AGREEMENT
BETWEEN THE CITY OF REEDLEY (CITY) &
KINGS CANYON UNIFIED SCHOOL DISTRICT (DISTRICT)

This shall serve as an agreement by and between the CITY and the DISTRICT for substance awareness and detection services for the period of **July 1, 2017** through **June 30, 2018**.

It is understood that the DISTRICT has established and communicated a policy clearly defining contraband as all drugs of abuse (in the broadest terms), alcoholic beverages, firearms and ammunition, prescription and over-the counter medication, and that this policy has been disseminated to all campus locations. Violations are considered detrimental to the welfare of students and contrary to the DISTRICT'S desire to foster an atmosphere conducive to safety and education.

CITY shall provide contraband inspection services utilizing non-aggressive contraband detection canines. Such inspections may be conducted on an unannounced basis under the auspices and direction of the DISTRICT administration with CITY acting as an agent of the DISTRICT while conducting such inspections. Communal areas, lockers, gym areas, parking lots (automobiles), grounds, and other select areas as directed by DISTRICT officials, shall be subject to inspection. School defined contraband detected on DISTRICT property is the responsibility of the DISTRICT. School contraband should be turned over to CITY depending on the level of action taken at the DISTRICT discretion. All "Legally defined" contraband (ie, narcotics, stolen property) shall be turned over to CITY for destruction.

CITY policy precludes the use of detection canines to "sniff" individuals under any circumstances.

CITY agrees to provide **14 visits** for the contract period. The DISTRICT may increase the total number of visits by notifying CITY in writing. Each visit will be **\$250.00 per** visit. CITY will invoice for service on a monthly basis at the conclusion of the service month. The DISTRICT agrees to pay for services within thirty (30) days of receipt of such invoice.

CITY will schedule DISTRICT visits in conjunction with days designated by the DISTRICT as appropriate for visits. DISTRICT will provide a school calendar with inappropriate dates for service noted. This calendar will serve as an addendum to the Agreement. All other dates will be considered acceptable for visits. Service will NOT be scheduled until the calendar is received.

CITY is licensed and registered by the U.S. Department of Justice, Drug Enforcement Administration, and regional regulatory agencies as required. Detection canines are certified as reliable by the National Narcotic Detector Dog Association or equivalent independent agency. All employees are registered with the Department of Justice in accordance with California Education Code requirements.

The District shall indemnify, defend, and hold harmless the City, its officers, officials, employees, and volunteers from and against any and all liability, claims, damage, cost, expenses, awards, fines, judgments, and expenses of litigation (including, without limitation, costs, attorney fees, expert witness fees and prevailing party fees and cost) of every nature arising out of or in connection with the assigned officer's performance of work or his or her failure to comply with any of its obligations contained in the Agreement, except such loss or damage which was caused by the active negligence by the City, or the gross or willful misconduct of the assigned officer.

The City shall indemnify, defend, and hold harmless the District, its officers, officials, employees, and volunteers from and against any and all liability, claims, damage, cost, expenses, awards, fines, judgments, and expenses of litigation (including, without limitation, costs, attorney fees, expert witness fees and prevailing party fees and cost) of every nature arising out of the active negligence by the City or the gross or willful misconduct of the assigned officer during the performance of work hereunder.

If the District rejects a tender of defense by the City and/or the assigned officer under this Agreement, and it is later determined that the City and/or the officer breached no duty of care and/or was immune from liability, the District shall reimburse the City and/or officer for any and all litigation expenses (including, without limitation, costs, attorney fees, expert witness fees and prevailing party fees and cost). A duty of care or immunity determination may be made by a jury or a court, including a declaratory relief determination by a court after the City and/or officer settles a liability claim, with or without participation by the District.

The Parties acknowledge that it is not the intent of the Agreement to create a duty of care by the City or its assigned officer that they would not owe in the absence of the Agreement. The Agreement does not create an affirmative duty of care (including, without limitation, a duty to protect, a duty to deter and/or a duty to intervene) by the City or the assigned officer and the absence of the assigned officer and/or the patrol vehicle is not a material breach of this Agreement. The Parties further acknowledge that by entering into this Agreement neither the City nor its assigned officer intends to waive any immunities to which they would be entitled in the absence of the Agreement.

INTEGRATION OF PRIOR TERMS AND CONDITIONS

This Agreement, including all recitals, constitutes the entire agreement of the Parties. This Agreement may be amended or modified only by the mutual written agreement of the Parties. This Agreement is invalid unless approved by the legislative body of each Party, although it may be executed by an authorized agent of each Party. An authorized agent of the City shall be a person specifically authorized by the legislative body of the City to execute this Agreement, at the level of City Manager or City Attorney or equivalent.

~~The DISTRICT shall indemnify, hold harmless and defend CITY and each of its officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by the DISTRICT, CITY or any other person, and from any and all claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly from the negligent or intentional acts or omissions, or willful misconduct of the DISTRICT or any of its officers, officials, employees, agents or volunteers in the performance of this Agreement.~~

~~CITY shall indemnify, hold harmless and defend the DISTRICT and each of its officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by CITY, the DISTRICT or any other person, and from any and all claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly from the negligent or intentional acts or omissions, or willful misconduct of CITY or any of its officers, officials, employees, agents or volunteers in the performance of this Agreement; provided nothing herein shall constitute a waiver by CITY of governmental immunities including California Government Code section 810 et seq.~~

~~The DISTRICT agrees that this Agreement shall in no way act to abrogate or waive any immunities available to CITY under the Tort Claims Act of the State of California.~~

~~In the event of concurrent negligence on the part of the DISTRICT or any of its officers, officials, employees, agents or volunteers, and CITY or any of its officers, officials, employees, agents or volunteers, the liability for any and all such claims, demands and actions in law or equity for such losses, fines, penalties, forfeitures, costs and damages shall be apportioned under the State of California's theory of comparative negligence as presently established or as may be modified hereafter.~~

~~The parties duty to indemnify each other and its officials, officers, employees, agents and volunteers shall apply to all claims and liability regardless of whether any insurance policies are applicable. Insurance policy limits do not act as a limitation upon the Agreement of indemnification to be provided by the parties. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of the parties or any of its officers, board members, employees, agents, volunteers, invitees, caterers, concessionaires, suppliers, vendors, consultants, contractors or subcontractors.~~

~~It is mutually understood and agreed that the foregoing constitutes the entire Agreement between the parties. Any modifications or amendments to this Agreement must be in writing signed by an authorized agent of each party.~~

IN WITNESS THEREOF, the parties have caused their authorized agents to execute this Agreement as of the date first set forth below:

TITLE: APPROVE AND AUTHORIZE THE CITY MANAGER TO EXECUTE AMENDED SERVICE AGREEMENTS WITH THE KINGS CANYON UNIFIED SCHOOL DISTRICT FOR SCHOOL RESOURCE OFFICER, NARCOTICS DETECTION AND CONTRACTED POLICING SERVICES

SUBMITTED: Paul A. Melikian, Assistant City Manager 

APPROVED: Nicole R. Zieba, City Manager 

RECOMMENDATION

Staff recommends that the City Council approve and authorize the City Manager to execute amended service agreements with the Kings Canyon Unified School District (KCUSD) for: 1) School Resource Officer; 2) Narcotics Detection; and 3) Contracted Policing Services to reflect updated indemnification language as required by recent actions of the Central San Joaquin Valley Risk Management Authority.

EXECUTIVE SUMMARY

On May 23, 2017, the City Council approved and authorized the City Manager to execute the aforementioned service agreements with the KCUSD. Subsequently, the Central San Joaquin Valley Risk Management Authority (CSJVRMA) Board met in June 2017 and took action to approve substantive changes to the CSJVRMA's Pooled Liability Program Memorandum of Coverage. One of the significant coverage changes was to add an exception to the coverage exclusions for claims arising out of failure to perform, or breach of, any contractual obligation entered into by a member and claims arising out of liability assumed under contract. The exception applies only to agreements/contracts between member cities and third parties with terms of six months or longer involving the use of city police officers and provides breach of contract and contractual liability coverage. In order for the exception to apply, member cities must ensure these types of agreements contain a specific indemnity clause as approved by the CSJVRMA Board.

The new indemnity clause better protects the City in the event there is a liability claim arising out of the City's provision of contractual policing services to the District. To ensure coverage under the Memorandum, member cities (including Reedley) must incorporate the approved indemnity language into their agreements with effective dates on or after July 1, 2018.

The City has been working with the KCUSD to explain the need for the revised indemnification clause and make sure everyone is comfortable with its application. Although not absolutely required by the City's new Memorandum of Coverage, the District went ahead and approved the use of the revised language for the two current year contracts effective through June 30, 2018, and the general policing services agreement effective through June 30, 2022. The new service agreements for School Resource Officer and Narcotics Detection, covering the 2018-19 fiscal/school year, are expected to be taken before the City Council for consideration in May 2018. The third agreement, for general contract policing services, is in effect through June 30, 2022, therefore no additional approvals will be required should this amendment be approved.
