AGENDA APPROVAL – ADDITIONS AND/OR DELETIONS

PUBLIC COMMENT – *Provides an opportunity for members of the public to address the City Council on items of interest to the public within the Council's jurisdiction and which are not already on the agenda this evening. It is the policy of the Council not to answer questions impromptu. Concerns or complaints will be referred to the City Manager's office. Speakers should limit their comments to not more than three (3) minutes. No more than ten (10) minutes per issue will be allowed. For items which are on the agenda this evening, members of the public will be provided an opportunity to address the Council as each item is brought up for discussion.*

NOTICE TO PUBLIC

CONSENT AGENDA items are considered routine and a recommended action for each item is included, and will be voted upon as one item. If a Councilmember has questions, requests additional information, or wishes to comment on an item, the vote should not be taken until after questions have been addressed or comments made, and the public has had an opportunity to comment on the **Consent Agenda** items. If a Councilmember wishes to have an item considered individually or change the recommended action, then the item should be removed and acted upon as a separate item. A Councilmember's vote in favor of the **Consent Agenda** is considered and recorded as a separate affirmative vote in favor of each action listed. Motions in favor of the **Consent Agenda** are deemed to include a motion to waive the full reading of any ordinance on the **Consent Agenda**. For adoption of ordinances, only those that have received a unanimous vote upon introduction are considered **Consent** items.

Zoom Participation:

The City Council is encouraging members of the public to observe and participate in the Council meeting virtually, to maximize the safety of all meeting participants. Reasonable efforts will be made to allow written and verbal comments from participants communicating with the host of the virtual meeting. To do so, participants may “raise their hand” during public comment portions of the meeting using the electronic feature on the zoom program, and the City Clerk will inform the Mayor of the participant’s desire to provide public comment. Due to the new, untested format of these meetings, the City cannot guarantee that participants who wish to provide public comment, either in writing or verbally, will occur as expected. The “chat” feature on Zoom will not be monitored or used during the meeting.

Members of the public who wish to provide written comments are encouraged to submit their comments to the City Clerk at ruthie.greenwood@reedley.ca.gov at least two (2) hours prior to the start of the meeting to ensure that the comments will be available to the City Council. Please indicate the agenda item number to which the comment pertains. Written comments that do not specify a particular agenda item will be marked for the general public comment portion of the meeting. A copy of any written comment will be provided to the City Council at the meeting. Please note that written comments received will not be read aloud during the meeting, but will be included with the meeting minutes.

9. PUBLIC HEARING REGARDING PROPOSED AMENDMENTS TO CERTAIN DEPARTMENTAL FEES AND CHARGES FOR SERVICES IN THE CITYWIDE MASTER FEE SCHEDULE (NO ACTION)

Assistant City Manager, Paul Melikian explained annually staff reviews all fees contained in the City Master Fee schedule to ensure that services are equitably priced and costs are appropriately recovered.

Public Hearing Opened: 7:32 p.m.

None.

Public Hearing Closed: 7:32 p.m.

10. HOLD A PUBLIC HEARING AND CONSIDER ADOPTING ORDINANCE NO. 2022-002, GRANTING AN EXTENSION AND RENEWAL OF AN URGENCY ORDINANCE OF THE CITY COUNCIL OF THE CITY OF REEDLEY, CALIFORNIA TEMPORARILY PLACING A MORATORIUM ON THE ESTABLISHMENT OF ANY NEW SMOKE SHOPS/TOBACCO STORES WITHIN THE CITY

Community Development Director, Rodney Horton explained in 2021 Council requested that staff research land use restriction and licensing requirements related to smoke shops/tobacco stores, in response to the data presented by Unidos Por Salud and the Health Collaborative about the increase in juveniles vaping. Unidos Por Salud and the Health Collaborative specifically requested Council consider the proximity of smoke shops to schools, parks and health facilities.

The public hearing was advertised in the Mid Valley Times. The item would be granting an extension and renewal of Urgency Ordinance placing a moratorium on the establishment of any new smoke shops/tobacco stores within the city limits while the City's zoning code is under review.

Public Hearing Opened: 7:36 p.m.

Liz Vidrio shared she disagreed with the moratorium on smoke shops and felt it discourages business from coming to Reedley.

Kuiama Gatz shared she also disagrees with the moratorium on smoke shops. By allowing additional smoke shops to come into town it would bring in additional revenue to Reedley.

Public Hearing Closed: 7:42 p.m.

Council Member Soleno moved, Council Member Betancourt seconded to accept, and HOLD A PUBLIC HEARING AND CONSIDER ADOPTING ORDINANCE NO. 2022-002, GRANTING AN EXTENSION AND RENEWAL OF AN URGENCY ORDINANCE OF THE CITY COUNCIL OF THE CITY OF REEDLEY,

11. CONSIDER AND APPROVE ITEMS PERTAINING TO A NEW LIMITED-TERM POSITION OF ASSISTANT WATER SYSTEM SUPERVISOR

A. ADOPT RESOLUTION NO. 2022-021 ESTABLISHING A REVISED SALARY & BENEFIT SCHEDULE FOR UNREPRESENTED EMPLOYEES TO INCLUDE THE NEW POSITION OF ASSISTANT WATER SYSTEM SUPERVISOR

B. ADOPT RESOLUTION NO. 2022-022 APPROVING THE REVISED MASTER SALARY TABLE TO INCLUDE THE NEW POSITION OF ASSISTANT WATER DIVISION SYSTEM SUPERVISOR AS PART OF THE WATER DIVISION SUCCESSION PLAN

Public Works Director, Russ Robertson explained maintaining a roster of certified operators in the Water Division is critical to the health, safety and operational efficiency of the water system which all Reedley residents and business owners depend on. Over the course of the last two years, the Water Division has been unable to fill vacant upper level positions due to difficulties in attracting qualified personnel that possess the required State certifications. Unfortunately, this issue is common to public utilities in California. Currently, lower-level staff do not possess the required certifications, and thus are not positioned to promote to the higher-level position resulting in prolonged vacancies for the Water Systems Specialist II and Senior Water Systems Specialist positions. The vacancies in these positions have created a void in the natural progression of staff and the overall division succession plan. The Water System Supervisor has also notified the City that he plans on retiring in the next two years.

After reviewing available options staff have identified a unique opportunity to recruit for the advanced skill set necessary to ensure a smooth transition of leadership in the division and provide sufficient time for the current supervisor to share detailed institutional knowledge of the City's water system. It is the intent the position will transition upon the retirement of the Water Systems Supervisor and not be backfilled.

Public Comment:

Liz Vidrio stated she liked the idea of backfilling the position and added Sacramento has the best water and would like to bring some of Sacramento's experience here.

REEDLEY CITY COUNCIL MEETING – March 22, 2022

12. CONSIDER AND APPROVE ITEMS PERTAINING TO THE PAINTING OF THE TWO DOWNTOWN WATER TOWERS

- A. AWARD A PAINTING CONTRACT IN THE AMOUNT OF \$541,286 TO WM. B. SALEH COMPANY FOR COMPLETE PAINT REMOVAL AND REPAINTING THE TWO ICONIC DOWNTOWN WATER TOWERS AND AUTHORIZE CITY MANAGER OR DESIGNEE TO EXECUTE ALL RELATED DOCUMENTS
- B. ADOPT RESOLUTION NO. 2022-018 AMENDING THE FISCAL YEAR 2021-2022 ADOPTED BUDGET TO APPROPRIATE AN ADDITIONAL \$371,414 IN CORONAVIRUS STATE AND LOCAL FISCAL RECOVERY FUNDS UNDER THE AMERICAN RESCUE PLAN ACT OF 2021 FOR REPAINTING THE TWO DOWNTOWN WATERTOWERS

Public Works Director Russ Robertson stated staff was seeking Council's direction on options to address the poor paint condition on the two downtown water towers. The downtown water towers were originally constructed in 1913 and 1923. Over the course of the last several years staff has noticed that the paint coating is chipping off of the tanks and there is growing concerns of rust and corrosion on the tower's exterior. It is unknown the last time the towers were painted but staff believes that the current paint is at least forty years old.

In 2021 a thorough inspection of the water towers was performed by Utility Service Company. The interior and exterior surfaces of the tank were inspected to assess the condition of the coating system as well as structural integrity, safety conditions and sanitary conditions of the tanks. The result of the inspection was that the paint coating on the water towers is in very poor condition and the towers need to be re-painted. If the towers are not repaired then they will need to be demolished in the not too distant future.

In August 2021 the City Council approved an allocation of \$250,000 for the painting of the two towers. This initial request was based on an informal estimate of cost received from one of the vendors based on their past experience and potential issues with the water towers. For the past six months staff has been contacting numerous paint companies throughout California to gather proposals. Initially, four contractors were interested in the project. It was later discovered that the paint on the water towers has lead in it and due to this would have to be chipped off and recoated by hand. When the scope of the project expanded only one contractor submitted a proposal and the others declined.

Currently the water towers only have Reedley painted in black letters on one side of the water towers. Another option would be to add the word Reedley to the opposite side of the tower so that way the word Reedley could be viewed from any direction. Adding the additional words to the towers and new light fixtures to illuminate the new words would be an additional \$26,000. The project can be fully funded with grant funds. Due to the cost being much higher than anticipated and the additional option to add extra words and lights to the water towers, staff is bringing forward the information to the City Council for consideration.

Council Member Soleno said he felt it was important to point out this project would be funded through grant funds and not from the City's funds. Council Member Tuttle stated that as a Council they try to stay proactive and felt they needed to do the same with the water towers. Council Member Tuttle stated if possible he would like to see what the cost is for an additional option of adding artwork or a logo on the towers.

Mayor Fast stated she also feels it is important to state this money will not come out of the general fund. She added she has been on council for nineteen years and this is the first time she has seen grant money available for projects like this. Mayor Fast said she did not believe grant money would be available to use for a project like this again in the future and thought Council should take advantage of the available funds and leave the water towers with Reedley written on one side of the tower.

City Manager, Nicole Zieba stated it was important to note that the same coating is not used on the inside of the towers, and the City's water is tested regularly for lead and other substances, and is healthy to drink.

Public Comment:

Kuiama Gatz said originally her comments were going to be that the money could be better spent on sidewalks. After hearing the presentation by Mr. Robertson, she now believes that the City needs to repair the lead paint on the water towers.

REEDLEY CITY COUNCIL MEETING – March 22, 2022

Liz Vidrio stated the funds should be used to fix the towers. The water towers are the favorite part of Reedley and she would hate to see them torn down. Ms. Vidrio said she would love to see a nice mural on the towers.

Susan Chapman stated if you asked the community the water towers are historic and important to Reedley. Due to this they have to be repaired. Ms. Chapman said due to the rising cost of inflation she would suggest getting the water towers fixed sooner rather than later and inquired if there was going to be more bidders for the process.

City Manager, Nicole Zieba explained the bid is only good for thirty days. It also requires specialized equipment to be able to climb the water towers and that's why none of the local contractors bid on the project. The staff had to reach out to the contractors and find out who was specialized and certified to be able to complete a project on the water towers. Ms. Zieba stated she does not believe if the project is put out to bid again if they will receive any more bids.

Council Member Tuttle said he liked the idea brought up by Liz Vidrio. Mr. Robertson said the climbers who paint the water towers have to be certified to do so, and finding a local artist who is interested in donating their art and is also certified to climb water towers might be challenging.

Mayor Fast moved adding she would like the water towers to stay identical to the way they are currently. Council Member Betancourt seconded to accept, and AWARD A PAINTING CONTRACT IN THE AMOUNT OF \$595,414 TO WM. B. DATE: 3/21/22 SIGNATURE: Jennifer M. Graber-Peters

Please give a brief overview of any qualifications you might have that would be beneficial to the Commission you have chosen to serve on.

I have worked and served in the community of Reedley in many different ways over the twenty six years that I have lived in here. For many years I worked as the Site Coordinator for the After School Program at T.L. Reed and together our team provided services for students after school that included everything from homework assistance, to community involvement to educational field excursions. I have also served on various community boards over the years, including the Reedley Marlins and the Reedley Aquatics Board, in addition to multiple committees for local events for Redeemers Church or Reedley College. Finally, I have been blessed to have been asked to help with different events like the Reedley Lions Club Speech Competition, The Miss Reedley Pageant (many years ago), the Reedley Street Faire, and the Greater Reedley Chamber of Commerce Awards events.

I love the community I live in, and I am always eager to help out in any way that I can. Now that we are a few months away from becoming "empty-nesters" I know that I will have even more time on my hands and I am looking forward to filling that time getting more involved in projects and events that matter to Reedley. Thank you for considering my application.

Please note that the Mayor, or his designee, will be contacting you to set up a one-on-one interview.

ITEM NO: 3

DATE: April 12, 2022

TITLE: ADOPT RESOLUTION NO. 2022-016 APPROVING AND AUTHORIZING THE CITY'S PARTICIPATION IN THE FRESNO COUNTY MULTI-JURISDICTIONAL HOUSING ELEMENT UPDATE AND COST SHARING AGREEMENT

SUBMITTED: Rodney L. Horton 
Community Development Director

APPROVED: Nicole R. Zieba 
City Manager

RECOMMENDATION

Approve and authorize the City's participation in the Fresno County Multi-Jurisdictional Housing Element Update and Cost Sharing Agreement between the Fresno Council of Governments (Fresno COG), the City of Reedley, and other participating jurisdictions in Fresno County for a Sixth Cycle Housing Element Update.

EXECUTIVE SUMMARY

Fresno COG, in cooperation with other participating jurisdictions in Fresno County, including the City of Reedley, is preparing to launch a Sixth Cycle to the Multi-Jurisdictional Housing Element. The City of Reedley is currently a participating jurisdiction of the existing Fifth Cycle. The multi-jurisdictional effort allows for housing needs to be addressed at the regional level rather than just at the local level. Furthermore, a joint effort between participating cities will result in significant cost savings as it pertains to the preparation of the housing element update.

BACKGROUND

General Plan Discussion

Government Code Section 65300 requires California cities and counties to adopt and maintain a General Plan with a minimum of eight mandatory elements which includes Housing; Land Use; Circulation; Conservation; Open Space; Noise; Safety; and more recently Environmental Justice.

Housing Element Discussion

Additionally, California requires the Housing Element be updated every eight years. The Housing Element must identify the following:

1. An existing and projected housing needs assessment to ensure adequate housing capacity exists for all economic segments of the community.
2. While the Housing Element does not require cities to build additional housing, it does call for cities to remove obstacles to future development and plan for a diversity of housing through revisions to the zoning code and land use policy.
3. This planning accounts for a Regional Housing Needs Allocation (RHNA) number, which a minimum number of new homes across income levels that a city must plan to accommodate through its Housing Element. Although it is still early, Reedley's proposed RHNA number is currently 1,463 housing units, accounting for both single- and multi-family dwelling units.

After the analysis is completed, community hearings are held, and the document has been drafted, the California Department of Housing and Community Development (HCD) reviews and certifies the Housing Element to ensure compliance with State law. HCD is aware of and encourages multi-jurisdictional efforts, such as what is proposed for Council's consideration.

Multi-Jurisdictional Housing Element Discussion

The City of Reedley, with other participating jurisdictions within Fresno County and in coordination with Fresno COG, participated in the Fifth Cycle (2015-2023) Multi-Jurisdictional Housing Element. The Multi-Jurisdictional Housing Element was a regional housing document that effectively acted as the State-mandated housing element for all participating jurisdictions. This effort, accomplished in 2015-2016, was a unique, award-winning collaborative effort on the part of all the local jurisdictions involved to accomplish this task. At that time, participating jurisdictions included the County of Fresno, Clovis, Coalinga, Fowler, Huron, Kerman, Kingsburg, Mendota, Parlier, Reedley, San Joaquin, Sanger, and Selma.

The Multi-Jurisdictional Housing Element was a single document, made up of two sections:

- The main body, which described demographics, housing needs, resources, and constraints at a regional level and included goals and policies common to all participating jurisdictions; and
- Individual appendices, which contained details for each jurisdiction (i.e., sites inventory, governmental constraints, evaluation of the existing Housing Element) and individual implementation programs for the City of Reedley.

In 2015, each city spent an average of \$25,000-\$50,000 on the Multi-Jurisdictional Housing Element, and cost savings were gained with utilizing planning services provided by Fresno COG.

However, recent State legislation and case law have made the undertaking of this document much more costly in terms of staff time and increased need for analysis to comply with new requirements. Estimates to complete the Housing Element in-house would require the hiring of a consultant, accompanying public hearings, outreach, sites inventory, and inclusion of current housing law in ordinance updates. If the City of Reedley chose not to participate in a Multi-Jurisdictional Housing Element for the sixth cycle, the estimate for this work would be a minimum of \$250,000. Current estimates for each smaller jurisdiction for this Sixth Cycle

Housing Element Update is expected not to exceed \$121,296.

Staff is recommending that because of the cost savings and necessary staffing time required to perform the update, the City of Reedley should participate in the Multi-Jurisdictional Housing Element process. Should the City Council approve the City of Reedley's participation in this effort, a Cost Sharing Agreement to be signed by all participating jurisdictions and Fresno COG, with an authorization to approve a \$10,000 initial deposit, is being brought to the City Council for review and approval prior to the April 28, 2022, deadline.

FISCAL IMPACT

The initial deposit required by Fresno COG is \$10,000 from the City, which is already accounted for in the current budget. Additionally, the City will be responsible for reimbursing Fresno COG for its part of the project.

PRIOR COUNCIL ACTIONS

On February 22, 2022, City Council approved Resolution No. 2022-006 amending the 2021-2022 adopted budget appropriating \$1,147,224 in multiple City funds for various operating programs, capital projects, and fund transfer which included \$10,000 for the deposit to Fresno COG.

RESOLUTION NO. 2022-016

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REEDLEY APPROVING AND
AUTHORIZING THE CITY'S PARTICIPATION IN THE FRESNO COUNTY MULTI-JURSDICTIONAL
HOUSING ELEMENT UPDATE AND COST SHARING AGREEMENT**

WHEREAS, Government Code Section 65588 requires local agencies to review and revise the Housing Elements to their comprehensive General Plan in compliance with Section 65580 through 65589, Chapter 1143, Article 10.6, and

WHEREAS, the Fresno Council of Governments (FCOG) is a Joint Powers agency created by the fifteen incorporated cities in Fresno County and the County of Fresno, pursuant to Government Code Sections 6500 et. Seq., and

WHEREAS, the local government agencies in Fresno County have requested FCOG to hire a consultant to perform a coordinated update to the housing element of each local agency's General Plan at no cost to FCOG, and

WHEREAS, FCOG convened a Project Development Team (PDT) consisting of the local member agencies, to review the Request for Proposal, evaluate bids, select a consultant, develop a cost sharing arrangement and make a recommendation to the FCOG board to hire the consultant, and

WHEREAS, the cost sharing arrangement includes the cost of the consultant and \$75,000 to cover FCOG administration, and

WHEREAS, the total cost is not expected to exceed \$121,296, and

WHEREAS, each participating member agency agrees to reimburse FCOG for the cost of the Fresno County Multijurisdictional Housing Element Study in accordance with the cost sharing arrangement attached herein, and

WHEREAS, time is of the essence and each participating member agency agrees to facilitate the flow of information to the consultant to provide a timely report.

NOW, THEREFORE, BE IT RESOLVED, that the Reedley City Council hereby adopts the Fresno County Multijurisdictional Housing Element Cost Sharing Agreement and agrees to participate in the study and reimburse FCOG for actual costs incurred.

This foregoing resolution is hereby approved the 12th day of April, 2022, in the City of Reedley, by the following vote:

Special Note:

Many of the fees shown in this schedule have a resolution number printed to the right of the amount that indicates the last time that a particular fee *description* (also known as a ‘text’ change) or fee *amount* was amended. This practice began in 2012, therefore resolutions (amendments) before that year are not shown. A copy of the resolution and corresponding staff report for a particular fee or group of fees can be obtained by contacting the City Clerk or Administrative Services Department at (559) 637-4200.

City of Reedley Master Fee Schedule

Public Works Department Wastewater Service Rates

Average Winter Water Average for Commercial/Industrial/Institutional Accounts:

Calculation of the Average Winter Water Usage (AWWU) will be 125% of the average consumption of what is billed on the customer's December, January, February, March, and April sewer bill. Customer must have consumption history with the City of Reedley for the aforementioned months. If a history is not available, then the customer will be billed per their actual consumption until the next AWWU calculation period. If a customer has 0 or 1,000 gallons of usage in a given month during the AWWU calculation period, those readings will not be included into the AWWU calculation. AWWU calculations will be rounded down to the nearest 1,000 gallons.

The billing for May, June, July, August, September, October, and November will be the lesser of either the calculated AWWU number or the actual consumption. Bills processed on December 1, January 1, February 1, March 1, and April 1, are based on actual consumption amounts during those billing periods, and not per an AWWU calculation. For All Commercial, Industrial, and Institutional accounts: If a separate "irrigation only" meter exists, then the AWWU calculation would only apply to the domestic meter.

TITLE: PUBLIC HEARING REGARDING PROPOSED AMENDMENTS TO CERTAIN DEPARTMENTAL FEES AND CHARGES FOR SERVICES IN THE CITYWIDE MASTER FEE SCHEDULE (NO ACTION)

REVIEWED: Paul A. Melikian, Assistant City Manager

APPROVED: Nicole R. Zieba, City Manager

RECOMMENDATION

That the City Council hold a public hearing on proposed amendments to certain Departmental fees and charges in the Citywide Master Fee Schedule as presented in the attached fee schedule, to take effect July 1, 2022. A public hearing notice was published in the Mid-Valley Times on March 10, 2022. The amended Master Fee Schedule will be brought forward for City Council consideration and approval on April 12, 2022.

EXECUTIVE SUMMARY

Staff conducts an annual review of all fees contained in the City Master Fee Schedule to ensure that services are equitably priced and costs are appropriately recovered. The attached Master Fee Schedule is categorized by the individual Departments in charge of assessing and collecting the fees. The current fee charged by the City is shown in one column along with any proposed amendments next to it. All changes are shown in ***bold font and italicized*** for ease of review. Any removal of fees has been shown in ***strikethrough***. The attached Master Fee Schedule is intended to include all fees currently charged by the City; although in some cases a fee may not be included if it is established by the State of California or otherwise stipulated in the Reedley Municipal Code. The following discussion summarizes proposed changes to fees by category or program area in the order in which they appear in the Master Fee Schedule.

PROPOSED FEE REVISIONS

Fire Department Fees

Most fees under the purview of the Fire Department are proposed to be increased based on the current fully burdened (salary + benefits) hourly rate of the Battalion Chief, who conducts most of the inspections. The fees for Commercial Fire Sprinkler System inspections have not been adjusted in over 10 years. The time required to review items under the Plan Check section were also reviewed, and time required to review them has changed as well.

Veterans Banner Program

As presented during the mid-year budget review in February 2022, due to inflation and rising costs of shipping, the City will need to charge \$250.00 per veterans banner (for new banners) for the program to roughly cover its own costs. Staff is also recommending establishing a \$40.00 annual rehanging fee to recover costs incurred as a result of rehanging and removing the banner to return it to the applicant.

Community Services Programs

For the majority of the fees under the purview of the Community Services Department (CSD), staff are recommending incremental increases that closely track the annual percentage change in the Consumer Price Index and/or the \$1.00 per hour minimum wage increase effective January 1, 2022. Most recreation staff have pay rates that are close to the minimum wage; therefore, the increases directly affect the cost to offer the program. By implementing incremental increases, the City can continue to recruit and retain quality staff, and maintain the supporting equipment and facilities the programs utilize.

Municipal Airport

Most fees at the airport are proposed to be increased by approximately 4%, following the annual change in the Consumer Price Index. This increase affects the fees for tie downs and City-operated aircraft hangars.

Building Re-Inspection Fee

Building Division staff spend significant periods of time conducting onsite re-inspections to ensure the work completed by the contractor is in compliance with the California Building Code. Staff propose to add a re-inspection fee, common to other cities, of \$95.00 to cover the staff time associated with scheduling, inspection and follow up activity. The City already has a fee for "Additional Inspections", established in 2013; however, it is only applicable to electrical permits and no longer covers the cost of staff time.

Electrical Outlet Permits

Staff propose to revise the permit fees for electrical outlets (switches & receptacles) to more accurately account for the inspector's time. The existing fee for electrical permits up to 20 outlets will now cover up to 50 outlets, and increase from \$33.00 to \$40.00. Permits for more than 20 outlets will now cover from 51-199 outlets, and increase from \$49.00 to \$80.00. For larger projects, defined as having 200+ outlets, a new flat fee of \$160.00 would be established.

Addendum Plan Check

This fee is for the review of revised plans after a plan set has been approved due to field conditions or after the fact changes by property owners or developers. A review of this nature typically takes 3+ hours of staff time depending on the nature of the revision. Items of this nature are rare and staff will address as many changes as possible during the initial submittal of improvement plans to minimize the use of this item. Staff propose to increase this fee from \$120.00 to \$250.00, which has not been adjusted since 2012.

Police Fees

Staff propose to eliminate nine separate fees that are no longer charged by the Police Department. There is no impact to services already provided to the public as a result of the deletions. There is also one fee, for 911/Dispatch Recordings, where staff propose to remove the staff time limitation as it is no longer relevant; however, the existing fee amount will remain unchanged. In addition, existing Police Service Fees are being updated to current fully burdened hourly pay rates for community events requiring additional police presence, and the cost to provide copies of citations has increased from \$11.00 to \$15.00. Lastly, vehicle impound fees are proposed to be increased by \$25.00 and \$75.00, depending upon the vehicle code violation, respectively, based on the current cost of staff time to administer the impounds. These particular fees have not been amended since 2012.

Solid Waste Fees

Effective July 1, 2021, all solid waste collections and operations were privatized under a Franchise Agreement with Mid Valley Disposal, LLC. All fees associated with the former City enterprise can now be removed from the Master Fee Table as they are now maintained in the Franchise Agreement. Current rates are fixed for the first two years of operation, through June 30, 2023. A copy of solid waste rates will continue to be posted to the website and on file at the utility billing counter for the public.

Water Service Call-Outs

The existing fee for service call-outs outside of normal business hours is proposed to be increased from \$102.50 to \$123.00 to cover the average cost of staff time associated with the call out. This fee is only charged to the customer when water is requested to be turned on outside of normal business hours or when a leak is determined to be on the customer side of the meter.

BACKGROUND

The annual review of fees is a key component to maintaining financial control, equitably pricing services and offerings, and identifying core programs, facilities, and services for an agency. Critical to this undertaking is the support and buy-in of elected officials, advisory boards, staff, and, most importantly, of citizens. A regular review of fees usually mitigates the large increases to fees necessary when it is discovered years later that a particular fee or group of fees is not meeting cost recovery targets.

When reviewing City fees, it is important to understand who is benefiting from a specific service to determine how that service should be paid for. The basic premise used by many agencies is that the higher the benefit is to an *individual* from a City service, the higher the cost recovery ratio should be; and the more service benefits the *community* as a whole, the lower the cost recovery ratio should be (or in some cases no fee at all).

It is also important to note that reviewing the fee schedule does not always mean fees will be increased. In some cases, fees are recommended to be lowered because the cost of providing that particular service has fallen due to operating efficiencies. In other cases, individual fees may be lowered to bring them in line with fees for comparable services or completely removed because the service is no longer provided. And finally, revisions may take the form of text changes to how a fee is presented in the document; either to clarify its purpose or specify policies affecting collection of the fee.

The attached schedule is a compilation of current fees charged by the City for services and products provided by the City, and is referred to as the Master Fee Schedule. The Master Fee Schedule is posted on the City website for easy public and staff access. A best practice of municipal governments is to review all fees on an annual basis and publish the Master Fee Schedule annually. This ensures that multiple objectives are met, such as:

- The Council and public are informed and have the opportunity to participate in the fee review process;
- Cost recovery ratios for specific fees are reviewed;
- Changes in constituent use and/or demand for services is reviewed annually; and
- Additional revenue from fee revisions can be quantified and built into the following year's budget to offset increasing or decreasing costs of providing certain services.

FISCAL IMPACT

The majority of the revised fees will generate additional revenue to the City to offset the increased costs of providing those services. If approved as proposed, the anticipated level of new revenue for each service/operation will be incorporated into the FY 2022-2023 Proposed Budget.

TITLE: ADOPT RESOLUTION NO. 2022-028 DECLARING THE INTENTION TO ORDER THE DISSOLUTION OF ZONES B, D, AND F FROM THE CITY OF REEDLEY LANDSCAPING AND LIGHTING MAINTENANCE DISTRICT NO. 1 AND SETTING A TIME AND PLACE FOR A PUBLIC HEARING

SUBMITTED: Marilu S. Morales, P.E.
City Engineer

APPROVED: Nicole R. Zieba
City Manager

RECOMMENDATION

Staff recommends that the City Council adopt Resolution No. 2022-028 declaring its intention to order the dissolution of Zones B, D, and F from the City of Reedley Landscaping and Lighting Maintenance District No. 1 and setting the date for a public hearing on Tuesday, April 26, 2022.

BACKGROUND

On March 23, 2021, City Council initiated Proposition 218 proceedings for seven zones within the City of Reedley's Landscaping and Lighting Maintenance District (LLMD) No. 1 due to the zones not having cost inflator language for annual consumer price index (CPI) increases in their enabling documents. On May 25, 2021, the Proposition 218 ballots were opened and tabulated for the seven zones. Zone F was the only Zone that did not have a majority protest and approved the increased assessment. This Zone was one of three zones that encompass the median islands along Kingswood Parkway in the "River Bottom" Area. Due to the majority of the zones not passing, staff held a workshop on June 22, 2021 presenting to City Council options to reduce maintenance costs to the six zones that did not pass and improvements to the one zone that did pass. Due to the fact that the median islands along Kingswood Parkway were split into three zones, a public meeting was held on June 24, 2021 for the residents of the "River Bottom" Area. The meeting attendees were presented with the cost savings measures, which included removing of the redwood trees and many spoke out against the tree removal. The attendees were presented with the option of balloting a larger overlay district along the River Bottom to help offset the improvement costs and they were in favor of that option. On November 9, 2021 the ballots for the overlay district were opened and tabulated for Zone DD and there was no majority protest therefore, City Council adopted Resolution No. 2021-116 annexing Zone DD into the City of Reedley LLMD No. 1.

Zones B, D and F are encompassed by Zone DD, therefore, the property owners within Zones B, D, and F will be assessed an annual fee through their property tax for the cost of maintaining landscaping and street lighting within Zone DD. The dissolution of Zones B, D, and F will ensure the property owners are not double assessed for the maintenance costs.

To initiate the process for the dissolution of Zones B, D, and F, the Council must approve a resolution to dissolve Zones B, D and F. Resolution No. 2022-028 declares the Councils intent to dissolve Zones B, D,

and F and sets the public hearing date for April 26, 2022. At that time Council will consider public input regarding the dissolution of Zones B, D, and F and if there is no majority protest, a resolution to be heard at the public hearing on April 26, 2022 will dissolve Zones B, D, and F beginning in fiscal year 2022-2023.

FISCAL IMPACT

The cost to process this dissolution is minor due to staff preparing the items.

PRIOR COUNCIL ACTIONS

On November 9, 2021, the City Council adopted Resolution No. 2021-116 annexing territory into the City of Reedley Landscaping and Lighting Maintenance District (LLMD) No. 1 as Zone DD.

REVIEWED: Russ Robertson, Public Works Director 
Paul A. Melikian, Assistant City Manager

APPROVED: Nicole Zieba, City Manager 

RECOMMENDATION

Staff recommends the approval of items A; award a painting contract in the amount of \$541,286 to Wm. B. Saleh Company for complete re-painting of the two downtown water towers, and item C; adopt Resolution No. 2022-029 amending the fiscal year 2021-2022 Adopted Budget to appropriate an additional \$345,414 in Coronavirus State and local Fiscal Recovery Funds under the American Rescue Plan Act of 2021 (ARPA) funds to complete funding for the project budget of \$595,414.

Staff also recommends discussion and consideration of item B, which includes additional work to be completed only if adequate project contingency monies are available at project completion, and would not represent an increase to the overall project budget. Currently, the water towers have the words 'Reedley' stenciled on one side of each tower. Approval of item B would include that the words 'Reedley' be also stenciled on the opposite sides of each tower so that the word 'Reedley' can be seen from any direction and also install associated new up-lighting to illuminate the new words.

EXECUTIVE SUMMARY

On March 22, 2022, staff provided a presentation to the City Council regarding the condition of the water towers, updates to the inspection report, and the lone bid received to paint the towers. At that time Council directed staff to look into potential cost of adding new graphics or the City logo to the water towers and bring the item back for further discussion.

Staff solicited prices for the painting of a full color City logo on the water towers and a 15' full round logo would cost \$35,000 per logo. To paint one City logo on each tower would cost \$70,000. Due to the detail and colors in the logo the logo would need to be re-painted about every 15 years or so. An option to painting would be to install a graphic onto the tower. Staff received a quote for a vinyl graphic and a graphic wrap for each tank which would include the words REEDLEY and one logo per wrap would cost \$12,000 per tank. The graphic wrap is significantly cheaper; however, per the manufacturer, the vinyl graphic wrap would only last about seven years before it would start to fade and need replacing.

Opinions from the public regarding the issue were solicited using social media and the Mid Valley Times. Several ideas of changing colors or adding colored lighting were proposed however the overwhelming response was to keep the towers looking exactly as they currently do. The Reedley Historical Society also commented that they would desire that the colors and current look of the towers not be changed.

BACKGROUND

The Downtown Water towers were originally constructed in 1913 and 1923. Over the course of the last several years staff has noticed that the paint coating is chipping off of the tanks and there is growing concerns of rust and corrosion on the tower's exterior. It is unknown the last time the towers were painted but staff believes that the current paint is well over 40 years old.

On July 7, 2021, a thorough inspection of the downtown water towers was performed by Utility Service Company. The interior and exterior surfaces of the tank were inspected to assess the condition of the coating system as well as structural integrity, safety conditions, and sanitary conditions of the tanks. The result of the inspection was that the paint coating on the water towers is in very poor condition and the towers need to be re-painted.

On August 10, 2021, the City Council approved an allocation of \$250,000 for the painting of the two towers. This initial request was based on an informal estimate of cost received from one of the vendors based on their past experience and potential issues with the City water towers. It was not known at that time that the State would not allow sandblasting of the old paint on the towers as allowed in other States. Staff communicated at that time that once a final bid had been received, City staff would bring the project before the City Council with more information in consideration of project award.

Beginning in August of 2021 through February of 2022 staff contacted numerous paint companies throughout California to gather proposals from contractors to perform the recoating project. Initially, four contractors were interested in the project, however when the scope of the project expanded and it was determined that the chipping and recoating work would have to be done by hand and sandblasting would not be allowed only one contractor submitted a proposal and the others declined. The lone proposal received is for the amount of \$541,286. Due to the intensified scope of work, including environmental remediation required by the State, the lone proposal exceeds the initial appropriation of \$250,000. Included in the total project budget is staff's request for a project contingency of 10% of the painting bid or \$54,128 to cover any unforeseen incidentals. Because the cost is much higher than anticipated, staff is bringing forward the information to the City Council for consideration.

FISCAL IMPACT

The proposed Budget Amendment amends the FY 2021-2022 Adopted Budget and appropriates an additional \$345,414 for the project for a total of \$595,414 from the ARPA funds to pay for removal of old chipped paint, complete recoating, and re-painting the words 'Reedley' on the City's Downtown Water

Towers. There are sufficient unallocated funds available in the City's ARPA funds. There is no impact to the City's General Fund.

ITEM NO: 7

DATE: April 12, 2022

TITLE: INTRODUCE ORDINANCE NUMBER 2022-003 OF THE CITY COUNCIL OF THE CITY OF REEDLEY ADOPTING A MILITARY EQUIPMENT USE POLICY PER CALIFORNIA ASSEMBLY BILL NUMBER 481 ALLOWING THE REEDLEY POLICE DEPARTMENT TO ACQUIRE AND USE EQUIPMENT DESIGNATED BY ASSEMBLY BILL NUMBER 481.

SUBMITTED: Jose L. Garza, Chief of Police

APPROVED: Nicole R. Zieba, City Manager

Recommendation:

Introduce ordinance number 2022-003 of the City Council of the City of Reedley adopting a Military Equipment Use policy per California Assembly Bill Number 481 allowing the Reedley Police Department to acquire and use equipment designated by Assembly Bill Number 481.

Background:

Assembly Bill 481 (AB481), codified Government Code sections 7070 through 7075 requiring a law enforcement agency (LEA) to obtain approval from the applicable governing body, via adoption of a "military equipment" use policy by ordinance, prior to the LEA funding, acquiring, or using military equipment. The Reedley Police Department seeks City Council adoption of the attached Military Use Policy - Policy 708, in order to allow the Reedley Police Department to continue using vital equipment specified therein.

Items deemed to be "military equipment" by AB 481 are used as a component of overall best practices for LEA's throughout the country. These tools have been tested in the field, and are used by LEA's to enhance community safety and officer safety. Loss of these items would jeopardize the welfare of our community and peace officers within the Reedley Police Department.

The term "military equipment", as used in AB481, in fact does not necessarily indicate equipment that has been used by the military. Pursuant to AB481, items deemed to be

“military equipment” include, but are not limited to, unmanned aerial or ground vehicles, armored vehicles, command and control vehicles, pepper balls, less lethal 40 mm projectile launchers, and distraction devices.

The Reedley Police Department is committed to using the most up to date tools and equipment to safeguard the community of Reedley. Many of the items deemed to be “military equipment” by AB481 are in fact employed by the Reedley Police Department, and LEA’s across the country, in order to specifically reduce risk to community members. These items provide peace officers with the ability to safely resolve volatile situations which otherwise might rise to the level of a lethal force encounter. To that end, the items at issue in this report, and accompanying Military Equipment Policy, also provide the Reedley Police Department with vital tools that facilitate compliance with its stringent use of force policy.

Fiscal Impact:

The approval of this ordinance will not incur any additional funds as this ordinance authorizes pre-existing purchased or acquired equipment deemed “military equipment” by AB481. The purchase of any future equipment deemed “military equipment” will be brought to the Reedley City Council in a prepared staff report or as part of the annual budget proposal.

ORDINANCE NO. 2022-003

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF REEDLEY
ADDING A NEW CHAPTER 14 TO TITLE 5 OF THE REEDLEY MUNICIPAL CODE
REGARDING POLICE ACQUISITION AND USE OF "MILITARY EQUIPMENT"**

WHEREAS, on September 30, 2021, California Assembly Bill 481 (AB 481) was signed into law; and

WHEREAS, AB 481 and California Government Code Sections 7070, through 7072 require that the City Council of the City of Reedley approve a Military Equipment Use Policy by ordinance; and

WHEREAS, the amendment of Title 5 (Police and Public Safety) to add Chapter 14 Military Equipment Use Ordinance is necessary to comply with the requirements of AB 481 and California Government Code Sections 7070 through 7072.

BE IT ORDAINED by the Council of the City of Reedley as follows:

SECTION 1. Chapter 14 of Title 5 of the Reedley Municipal Code is added to read as follows:

**Title 5
POLICE AND PUBLIC SAFETY**

**Chapter 14
"MILITARY EQUIPMENT" USE ORDINANCE**

5-14-1: NAME OF ORDINANCE

5-14-2: DEFINITIONS

5-14-3: MILITARY EQUIPMENT USE POLICY REQUIREMENT

5-14-4: USE IN EXIGENT CIRCUMSTANCES

5-14-5: REPORTS ON THE USE OF CONTROLLED EQUIPMENT

5-14-6: ENFORCEMENT

5-14-7: SEVERABILITY

5-14-1: NAME OF ORDINANCE

A. This Ordinance shall be known as the Military Equipment Use Ordinance.

5-14-2: DEFINITIONS

A. "Military Equipment" includes all of the following (Per CA Gov. Code §7070):

1. Unmanned, remotely piloted, powered aerial or ground vehicles.
2. Mine-resistant ambush-protected (MRAP) vehicles or armored personnel carriers.

However, police versions of standard consumer vehicles are specifically excluded from this subdivision.

3. High mobility multipurpose wheeled vehicles (HMMWV), commonly referred to as Humvees, two and one-half-ton trucks, five-ton trucks, or wheeled vehicles that have a breaching or entry apparatus attached. However, unarmored all-terrain vehicles (ATVs) and motorized dirt bikes are specifically excluded from this subdivision.

5-14-3: MILITARY EQUIPMENT USE POLICY REQUIREMENT

A. The Reedley Police Department shall obtain approval of the City Council, by an ordinance adopting a Military Equipment Use Policy (MEUP) at a regular meeting of the City Council held pursuant to the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5), prior to engaging in any of the following:

1. Requesting Military Equipment made available pursuant to Section 2576a of Title 10 of the United States Code.
2. Seeking funds for Military Equipment, including, but not limited to, applying for a grant, soliciting or accepting private, local, state, or federal funds, in-kind donations, or other donations or transfers.
3. Acquiring Military Equipment either permanently or temporarily, including by borrowing or leasing.
4. Collaborating with another law enforcement agency in the deployment or other use of Military Equipment within the territorial jurisdiction of the City of Reedley.
5. Using any new or existing Military Equipment for a purpose, in a manner, or by a person not previously approved by the governing body pursuant to this chapter.
6. Soliciting or responding to a proposal for, or entering into an agreement with, any other person or entity to seek funds for, apply to receive, acquire, use, or collaborate in the use of, Military Equipment.
7. Acquiring Military Equipment through any means not provided by this section.

B. No later than May 1, 2022, if seeking to continue the use of any Military Equipment that was acquired prior to January 1, 2022, the Reedley Police Department shall commence a City Council approval process in accordance with this section. If the City Council does not approve the continuing use of Military Equipment, including by adoption pursuant to a Military Equipment Use Policy submitted pursuant to this code, within 180 days of submission of the proposed Military Equipment Use Policy to City Council, the Reedley

Police Department shall cease its use of the Military Equipment until it receives the approval of City Council in accordance with this code.

- C. In seeking the approval of City Council, the Reedley Police Department shall submit a proposed Military Equipment Use Policy to City Council and make those documents available on the Police Department's internet website at least 30 days prior to any public hearing concerning the Military Equipment at issue.
- D. The governing body shall consider a proposed Military Equipment Use policy as an agenda item for an open session of a regular meeting and provide for public comment in accordance with the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5).
- E. The governing body shall only approve a Military Equipment Use Policy pursuant to this chapter if it determines all of the following:
 - 1. The Military Equipment is necessary because there is no reasonable alternative that can achieve the same objective of officer and civilian safety.
 - 2. The proposed Military Equipment use policy will safeguard the public's welfare, safety, civil rights, and civil liberties.
 - 3. If purchasing the equipment, the equipment is reasonably cost effective compared to available alternatives that can achieve the same objective of officer and civilian safety.
 - 4. Prior Military Equipment use complied with the Military Equipment Use Policy that was in effect at the time, or if prior uses did not comply with the accompanying Military Equipment Use Policy, corrective action has been taken to remedy nonconforming uses and ensure future compliance.
- F. In order to facilitate public participation, any proposed or final Military Equipment Use Policy shall be made publicly available on the internet website of the Police Department for as long as the Military Equipment is available for use.
- G. The City Council shall review any ordinance that is has adopted pursuant to this Chapter approving the funding, acquisition, or use of Military Equipment at least annually and vote on whether to renew the ordinance at a regular meeting held pursuant to the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5).

5-14-4: USE IN EXIGENT CIRCUMSTANCES

- A. Notwithstanding the provisions of this Chapter, the Police Department may acquire, borrow and/or use Military Equipment in Exigent Circumstances without following the requirements of this code.
- B. If the Police Department acquires, borrows, and/or uses Military Equipment in Exigent Circumstances, in accordance with this section, it must take all of the following actions:
 - 1. Provide written notice of that acquisition or use to the City Council within 30 days following the commencement of such Exigent Circumstance, unless such information is confidential or privileged under local, state or federal law.
 - 2. If it is anticipated that the use will continue beyond the Exigent Circumstance, submit a proposed amended Military Equipment Use Policy to the City Council within 90 days following the borrowing, acquisition and/or use, and receive approval, as applicable, from the City Council.
 - 3. Include the Military Equipment in the Police Department's next annual Military Equipment Report.

5-14-5: REPORTS ON THE USE OF MILITARY EQUIPMENT

- A. The Police Department shall submit to City Council an annual Military Equipment Report for each type of Military Equipment approved by the City Council within one year of approval, and annually thereafter for as long as the Military Equipment is available for use.
- B. The Police Department shall also make each annual Military Equipment Report required by this section publicly available on its internet website for as long as the Military Equipment is available for use.
- C. The annual Military Equipment Report shall, at a minimum, include the following information for the immediately preceding calendar year for each type of Military Equipment:
 - 1. A summary of how the Military Equipment was used and the purpose of its use.
 - 2. A summary of any complaints or concerns received concerning the Military Equipment.
 - 3. The results of any internal audits, any information about violations of the Military Equipment Use Policy, and any actions taken in response.

4. The total annual cost for each type of Military Equipment, including acquisition, personnel, training, transportation, maintenance, storage, upgrade, and other ongoing costs, and from what source funds will be provided for the Military Equipment in the calendar year following submission of the annual Military Equipment Report.
 5. The quantity possessed for each type of Military Equipment.
 6. If the law enforcement agency intends to acquire additional Military Equipment in the next year, the quantity sought for each type of Military Equipment.
- D. Within 30 days of submitting and publicly releasing an annual Military Equipment Report pursuant to this section, the Police Department shall hold at least one well-publicized and conveniently located community engagement meeting, at which the general public may discuss and ask questions regarding the annual Military Equipment report and the law enforcement agency's funding, acquisition, or use of Military Equipment.
- E. The City Council shall determine, based on the annual Military Equipment Report submitted pursuant to this section, whether each type of Military Equipment identified in that report has complied with the standards for approval set forth in this code and the Military Equipment Use Policy. If the City Council determines that a type of Military Equipment identified in the annual Military Equipment Report as not complied with the standards for approval, the City Council shall either disapprove a renewal of the authorization of or that type of Military Equipment or require modification to the Military Equipment Use Policy in a manner that will resolve the lack of compliance.

5-14-7: SEVERABILITY

- A. If any section, subsection, sentence, clause, phrase, or word of this Chapter, or any application thereof to any person or circumstance, is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions or applications of this Chapter.
- B. The City Council hereby declares that it would have passed this Chapter and each and every section, subsection, sentence, clause, phrase, and word not declared invalid or unconstitutional without regard to whether any other portion of this Chapter or application thereof would be subsequently declared invalid or unconstitutional.

SECTION 2. This Ordinance shall take effect thirty (30) days after its adoption.

SECTION 3. The City Clerk is directed to cause this ordinance or a summary of this ordinance to be published once in a newspaper of general circulation published and circulated within the City

of Reedley, within fifteen (15) days after its adoption. If a summary of the ordinance is published, the City Clerk shall cause a certified copy of the full text of the proposed ordinance to be posted in the office of the City Clerk at least five (5) days prior to the Council meeting at which the ordinance is adopted and again after the meeting at which the ordinance is adopted. The summary shall be approved by the City Attorney.

Equipment Owned by the Reedley Police Department listed in AB 481

Equipment Type: Unmanned Aircraft Systems (UAS/Drones) – CA Gov't Code §7070(c)(1)
Quantity Owned/Sought: 3 owned
Equipment Capabilities: Remotely piloted aerial vehicles capable of providing live and recorded video images captured from aerial positions, including images enhanced by Forward Looking Infrared (FLIR) and optical zoom lenses.
Manufacturer Product Description: <u>DJI MAVIC Enterprise Advanced:</u> Powerful, industrial-grade flight platform with world class agility and speed. The aircrafts visual sensors enable enhanced hovering precision. This platform comes with a Thermal Forward Looking InfraRed (FLIR) system which allows use at night or in low light situations. <u>DJI MAVIC Pro 2:</u> This product is a commercially purchased UAS platform equipped with a camera capable of still photography or video. <u>DJI Spark:</u> This product is a commercially purchased UAS platform equipped with a camera capable of still photography or video. This UAS is small than the other two UAS's allowing it to be flown indoors and deployed easily.
Purpose/Authorized Uses: UAS/Drones may be utilized to enhance the Department's mission of protecting lives and property when other means and resources are not available or are less effective. Uses may include but are not limited to: search and rescue; suspect apprehension; crime scene documentation; tactical operations; scene security; hazard monitoring, identification and mitigation; response to emergency calls; crisis communications; legally authorized surveillance.
Fiscal Impacts: The initial costs of equipment, licensing, software and training was approximately \$10,000. Ongoing cost associated with UAS operation and maintenance is estimated to be approximately \$5,000 per year.
Legal/Procedural Rules Governing Use: Any use of a UAS will be in strict accordance with constitutional and privacy rights and Federal Aviation Administration (FAA) regulations. The use of the UAS potentially involves privacy considerations. Absent a warrant or exigent circumstances, operators and observers shall adhere to FAA altitude regulations and shall not intentionally record or transmit images of any location where a person would have a reasonable expectation of privacy (e.g., residence, yard, enclosure). Operators and observers shall take reasonable precautions to avoid inadvertently recording or transmitting images of areas where there is a reasonable expectation of privacy. Reasonable precautions can include, for example, deactivating or turning imaging devices away from such areas or persons during UAS operations.
Training Required: Prior to piloting any UAS/Drone staff members must complete all training required by our FAA COA.
Compliance: The Chief of Police will ensure compliance with the military use policy. Violations of this policy will be dealt with according to department policies.
Other Notes: Lifespan for UAS's platforms are approximately 2-3 years due to ever-changing technology.

Equipment Type: Unmanned Remotely Powered Ground Vehicles – CA Gov't Code §7070(c)(1)
Quantity Owned/Sought: 1 owned
Equipment Capabilities: Vehicles are capable of being remotely navigated to provide scene information and intelligence in the form of video and still images transmitted to first responders.
Manufacturer Product Description: PACBOT robot model#BB2590: Multi mission tactical mobile robot developed by Endeavor Robotics. Capable of performing surveillance and reconnaissance for first responders and capable of performing in any type of weather. Robot is controlled remotely with joysticks and cameras viewed on a laptop computer.
Purpose/Authorized Uses: To enhance the safety of potentially dangerous situations by providing first responders with the ability to capture video and still images of hazardous areas prior to, or in lieu of, sending in personnel.
Fiscal Impacts: None. Equipment acquired through the federal government 1033 program.
Legal/Procedural Rules Governing Use: The use of unmanned, remotely piloted, powered ground vehicles potentially involves privacy considerations. Absent a warrant or exigent circumstances operators and observers shall adhere to all applicable privacy laws and shall not intentionally record or transmit images of any location where a person would have a reasonable expectation of privacy (e.g. residence, yard, or enclosure).
Training Required: Prior to piloting any unmanned remotely powered ground vehicles, staff members must complete all required training.
Compliance: The Chief of Police will ensure compliance with the military use policy. Violations of this policy will be dealt with according to department policies.
Other Notes: Life Span approximately 10 years.

Equipment Type: 40mm Less Lethal Launchers and Kinetic Energy Munitions - CA Gov't Code §7070(c) (14)	
Quantity Owned/Sought: 1 owned	Lifespan: Approximately 15 years
Equipment Capabilities: The 40mm Less Lethal Launcher is capable of firing 40mm Kinetic Energy Munitions, which are essentially rubber projectiles.	
Manufacturer Product Description: Exact Impact 40MM launchers are light weight, versatile and used worldwide by police and corrections officers. The 40MM launcher family of products is available in single-shot, spring-advance multi, and pump-advance multi-versions.	
Purpose/Authorized Uses: The 40mm Less Lethal Launchers and Kinetic Energy Munitions are intended for use as a less lethal use of force option.	
Fiscal Impacts: The initial cost of this equipment was approximately \$2,100. The ongoing costs for munitions will vary and maintenance is conducted by departmental staff.	
Legal/Procedural Rules Governing Use: All applicable State, Federal and Local laws governing police use of force. Various San Bruno Police Department Policies on Use of Force and Crowd Control.	
Training Required: Officers must complete a department certified 40mm course as well as regular training and qualifications as required by law and policy.	
Compliance: The Chief of Police will ensure compliance with the military use policy. Violations of this policy will be dealt with according to department policies.	
Other Notes: None.	

Equipment Type: Flashbang grenades, explosive breaching tools, tear gas and pepper balls - CA Gov't Code §7070(c)(12)	
Quantity Owned/Sought: 5 bodies & 10 reloads	Lifespan: Unknown.
Equipment Capabilities: Capable of creating explosive distractions.	
Manufacturer Product Description: DefTec	
Purpose/Authorized Uses: Typically known as "flashbangs" are non-bursting, non-fragmenting multi-bang device that produces a thunderous bang with an intense bright light. Ideal for distracting dangerous suspects during high-risk entry, hostage rescue, room entry or high-risk arrest situation.	
Fiscal Impacts: Each body (model #260/8933) cost \$55 but are reusable if recovered. The reloadable inserts are approximately \$20 each.	
Legal/Procedural Rules Governing Use: The use of distractions devices to be lawful, will generally need to be supported by a search or arrest warrant, or exigent circumstances. Distractionary devices can only be deployed in accordance with all applicable State, Federal and Local laws governing police use of force, crowd control, etc.	
Training Required: Only members of the Reedley Police Department who have been properly trained may deploy distraction devices. Use of any distraction device must be documented within a police report.	
Compliance: The Chief of Police will ensure compliance with the military use policy. Violations of this policy will be dealt with according to department policies.	
Other Notes: None

submitted to the governing body and is available on the department website at least 30 days prior to any public hearing concerning the specific equipment at issue (Government Code § 7071). The specific equipment policy must be approved by the governing body prior to engaging in any of the following (Government Code § 7071):

- (a) Requesting specific equipment made available pursuant to 10 USC § 2576a.
- (b) Seeking funds for specific equipment, including but not limited to applying for a grant, soliciting or accepting private, local, state, or federal funds, in-kind donations, or other donations or transfers.
- (c) Acquiring specific equipment either permanently or temporarily, including by borrowing or leasing.
- (d) Collaborating with another law enforcement agency in the deployment or other use of specific equipment within the jurisdiction of this department.
- (e) Using any new or existing specific equipment for a purpose, in a manner, or by a person not previously approved by the governing body.
- (f) Soliciting or responding to a proposal for, or entering into an agreement with, any other person or entity to seek funds for, apply to receive, acquire, use, or collaborate in the use of specific equipment.
- (g) Acquiring specific equipment through any means not provided above.

708.6 COORDINATION WITH OTHER JURISDICTIONS

Specific equipment should not be used by any other law enforcement agency or member in this jurisdiction unless the specific equipment is approved for use in accordance with this policy. Military equipment used by other jurisdictions that are providing mutual aid to this jurisdiction shall comply with their respective military use policies in rendering mutual aid.

708.7 ANNUAL REPORT

Upon approval of a specific equipment policy, the Chief of Police or the authorized designee should submit a specific equipment report to the governing body for each type of specific equipment approved within one year of approval, and annually thereafter for as long as the specific equipment is available for use (Government Code § 7072).

The Chief of Police or the authorized designee should also make each annual specific equipment report publicly available on the department website for as long as the specific equipment is available for use. The report shall include all information required by Government Code § 7072 for the preceding calendar year for each type of specific equipment in department inventory.

708.8 COMMUNITY ENGAGEMENT

Within 30 days of submitting and publicly releasing the annual report, the Agency shall hold at least one well-publicized and conveniently located community engagement meeting, at which the Agency should discuss the report and respond to general questions regarding the funding, acquisition, or use of specific equipment.

ITEM NO: 9

DATE: April 12, 2022

TITLE: QUARTERLY EXPENSE & TRAVEL REPORT FOR ELECTED AND APPOINTED OFFICIALS – JANUARY 1, 2022 THROUGH MARCH 31, 2022

SUBMITTED: Paul A. Melikian, Assistant City Manager *Paul A. Melikian*

APPROVED: Nicole R. Zieba, City Manager *Nicole R. Zieba*

RECOMMENDATION

It is recommended that the City Council receive and review the quarterly expense & travel report for elected and appointed officials as required by Resolution No. 2018-091 that established an Expense Reimbursement and Travel/Conference Policy for Elected and Appointed Legislative Body Officials.

EXECUTIVE SUMMARY

The Expense Reimbursement and Travel/Conference Policy for Elected and Appointed Legislative Body Officials provides that, official travel and credit card expense reports shall be provided quarterly to the City Council as a receive & review item on the Council's agenda.

There was no City-paid travel and/or other expenses incurred by Elected or Appointed Legislative Body Officials for the period of January 1 through March 31, 2022.

BACKGROUND

It is in the best interests of the City that elected and appointed officials remain informed and trained in activities, developments and professional trends affecting the affairs of the City, and that attendance at institutes, hearings, meetings, conferences, or other gatherings is of value to the City and its citizens. The Expense Reimbursement and Travel/Conference Policy applies to City Councilmembers and all appointed legislative body officials including Planning Commissioners, and other volunteer members of City boards, commissions, and committees.

The Policy is designed to provide guidance to elected and appointed legislative body officials on the use and expenditure of City resources, as well as the standards against which those expenditures will be measured, all in compliance with the requirements of AB 1234 (Government Code §§ 53232.2, 53233.3). After being sworn in, any elected or appointed legislative official of the City is required to sign a statement formally acknowledging receipt and acceptance of the policy.
