Joe Kitchen
California Sports Officiating Association
1881 N. Dartmouth Ave.
Clovis, CA 93619

Dear Mr. Kitchen:

The City of Reedley was satisfied with the results utilizing your organization to provide officials for the 2018 Adult Basketball season. The agreement appeared to suit both our organizations well.

At this time the City is requesting your consideration to extend our current Agreement for Officiating Services for one additional year.

As listed in the agreement as TERM "This agreement may be extended for an additional two years with a mutually agreement from both parties." To stay current with fair market value of compensation for officials I am proposing a \$1 increase taking the fee per game from \$33 to \$34 per official.

At the time of extending the agreement a current certificate of insurance must be provided as the one on file has expired.

Sincerely,

Madison Leighty
Community Services Recreation Coordinator

By signing below, both parties agree to this extension for one additional year and the increase per game rate of \$34 per official.
