Existing Water Service? Yes ☐ No ☐

New Construction? Yes ☐ No ☐

Residential ☐ Commercial ☐

I hereby request to be supplied with City of Reedley water provided via the City's water system at the service address noted hereon, and promise to purchase the service and pay therefor in accordance with the City's schedule of rates which shall from time to time be legally in effect for the purpose for which the services are to be used. I also agree to conform to and abide by the City's rules, regulations and policies in force relating to said services as published by the City. I understand that I will be held responsible for payment of this account until I notify the City of termination of this agreement.

Billing will begin once meter(s) are received by applicant.

CONDITIONS FOR APPROVAL

1. Water service shall NOT be provided and connection(s) to water service shall NOT be permitted until the requirements for construction water service have been completed and approved.
2. Permit for project must be a valid and active permit issued by the City of Reedley.
3. **Under no circumstances shall anyone other than an approved City of Reedley representative open or close any valve within the City boundaries.**
4. **All meters and backflow are to be installed per City Standards.**
5. **All hose bibs shall have Atmospheric Vacuum Breakers (AVB).**
6. Backflow protection **MUST** be installed where required.
7. In the event backflow protection is required for this project, all backflow protection devices shall be **TESTED** by a certified, approved tester. Copies of satisfactory test results shall be furnished to the City prior to the service use at no cost to the City. Submittal of the results shall be a physical copy at the time of inspection **and** via email to the following; [Building Department](#) and [Water Division](#). Construction Water Permit shall not be approved until City has received the satisfactory test results.
8. **Call 559-637-4200 ext. 112 to request inspection. Allow 24 hours for inspection. Inspections shall occur between the hours of 8am to 4pm, Monday thru Friday. Exceptions shall be charged a two-hour minimum @ 1.5x inspectors' regular rate and approved in writing. NO INSPECTIONS WILL OCCUR DURING CITY APPROVED HOLIDAYS.**
9. The City of Reedley will only provide water through metered delivery points (i.e. hydrant meter, lot/address specific meters).
10. The City of Reedley **will not** provide non-metered water use during construction.
11. Hydrant meters are available through the City of Reedley, Public Works Department.
12. **ALL UTILITY APPLICATION FEES AND FULL CITY UTILITY SERVICE BILLING BEGINS FROM DATE OF NOTICE OF COMPLETION.**

☐

By checking this box, I understand that once the meter is picked up, I will be charged the monthly water service base rate.
