RECOMMENDATION

Approve and authorize the City Manager to sign the Memorandum of Understanding (MOU) with Kings Canyon Unified School District (KCUSD) to expand services within the After School Program at Washington School with Save the Children Funding, authorize City Manager to sign the MOU with Community Youth Ministries (CYM) to provide funding to support the Save the

Children Sponsorship Program at Sheridan School site, and adopt Resolution No. 2017-077 amending the 2017-18 Adopted Budget to reduce appropriations by \$9,194 in the General Fund for the Save the Children Sponsorship Program.

BACKGROUND

There are two components to the Save the Children Program, Literacy and Sponsorship.

Literacy:

Since 2008, the City of Reedley has incorporated the Save the Children literacy program allowing the expansion of services to the after school program at Washington School. The Memorandum of Understanding with KCUSD outlines the reporting and reimbursement processes.

During the 2017-18 budget process, a final decision had not been made by Save the Children and City staff regarding the costs associated with the Literacy Program. At that time, City staff submitted their best estimate based on last year's program. Once the final Literacy budget was agreed upon by Save the Children and City staff, the City of Reedley budget was already adopted. At this time, it appears that the budget accurately reflects expenditures and revenues. Any adjustments will be made at mid-year.

Sponsorship:

After discussions between Save the Children, CYM and City staff, all parties agreed that the approach for monitoring the sponsorship portion of the program at Sheridan and Washington school sites will be served by two part-time City employees. Because each school site has a portion of the sponsorship budget, the City will invoice CYM for reimbursement of all costs related to the programs that take place at Sheridan that is CYM's after school programs.

During the 2017-18 City budget process, a decision had not yet been made on the monitoring of the sponsorship program. After the adoption of the budget, Save the Children, CYM and City staff decided that the sponsorship program would continue to be supervised by City staff. Because of this, the City of Reedley budget needs to be amended to reflect actual numbers for the sponsorship portion of the program. The sponsorship program will be phased out which means reduced expenditures and revenues for this year as opposed to previous years.

FISCAL IMPACT

All part time personnel and supplies related to the program will be reimbursed. To reflect actual costs in the contract the budget amendment will reduce appropriations by \$9,194 to reflect actual costs.
