AFFIDAVIT-SELF CERTIFICATION OF INSTALLATION OF SMOKE/CARBON MONOXIDE ALARM(S)

For compliance with Section R314.2 and R315.2 of the California Residential Code where no interior access for inspection is available:

Property Address: _____

Owner Name: _____

Number of Alarms in Residence: Smoke _____ Carbon Monoxide _____ Number of Bedrooms _____

Existing single family dwellings shall be protected with Carbon Monoxide alarms no later than July 1, 2011. (Senate Bill 183)

When the valuation of additions, alterations, or repairs to existing dwelling units exceeds \$1,000, Sections R314.3 and R315.3 of the California Residential Code requires that Smoke Alarms and/or Carbon Monoxide Alarms be installed in the following locations:

1. Outside of each separate dwelling unit sleeping area in the immediate vicinity of the bedrooms
 - o Smoke Alarm and Carbon Monoxide Alarm
2. On every level of a dwelling unit including basements
 - o Smoke Alarm and Carbon Monoxide Alarm
3. Within each sleeping room
 - o Smoke Alarm

Carbon Monoxide Alarms are not required in dwellings which do not contain fuel burning appliances and do not have an attached garage.

Multi-purpose Alarms: Carbon Monoxide Alarms combined with Smoke Alarms shall comply with Section R314 and R315 of the California Residential Code and shall be approved by the Office of the State Fire Marshall.

Power Supply: In dwelling units with no commercial power supply, alarms may be solely battery operated. In existing dwelling units, alarms are permitted to be solely battery operated where repairs or alterations do not result in the removal of wall and ceiling finishes or there is no access by means of attic, basement or crawl space. See Section R315 and R315.1. An electrical permit is required for alarms which must be connected to the building wiring.

As owner of the above-referenced property, I hereby certify that the alarm(s) referenced above has/have been installed in accordance with the manufacturer's instructions and in compliance with the California Building Code. The alarms have been tested and are operational.

Print Name: _____ Date: _____

Signature: _____

This certification must be returned to the Building Inspector prior to final inspection approval of all building permits requiring compliance with Section 420 of the California Building Code
